IX. INSTRUCTIONS FOR COMPLETING APPLICATION

GENERAL: Plumbing work shall Not be started until the permit has been issued or other approval has been obtained. All Installations shall be in conformance with the State of Michigan Plumbing Code.

No work shall be concealed until it has been inspected. When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the Job Location and Permit Number

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be canceled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Canceled permits cannot be refunded or reinstated

Where to submit application: Permit applications for City/Township issued permits should be sent to the address listed on the front of this application. If you are not sure whether a city permit is appropriate, contact your local inspector. Questions regarding state issued permits may be directed to the Office of Management Services, Permit Section at (517) 241-9313. Code questions may be directed to the Plumbing Division (517) 241-9330.
